

Help to Create the Future: Support City of Kitchener Motion CSD-20-004

Hello Community,

What is Happening:

On the 19th of October (4 days from now), the councilors at the City of Kitchener will be voting on a very key mandate.

It is Motion CSD-20-004. An 8 point agenda focused on advancing the City's Work on Equity, Anti-Racism, Indigenous Initiatives, and Social Justice Issues.

One of the key ideas is the creation of a department to provide municipal leadership on issues involving equity, anti-racism, and indigenous initiatives.

This motion is extremely important to continuing all the momentum that has been built up to enact real change in our community. It is key to our growth and development in the City of Kitchener. We need this motion approved to advance work on equity and anti-racism.
